ROSTERS & PACES

We will use each individual runner's pace (as entered on the runners' profile) to estimate your team time and assign a start time. "Regular" teams must have at least 8 runners signed up on your roster before a start time can be given. For roster and team management links, go to: <http://bourbonchase.com/myteam>

TEAM NAMES

Have fun with it, but please keep it P.G.! Do you need to change your team name? Here is the link to submit to change your team name: [Bourbon Chase Team Name Change](#)
