

Captain's Update #1 – March 7, 2018

Greetings from Bourbon Chase HQ! I want to thank you for being a part of the 10th running of The Bourbon Chase! From our first year in 2009, we have tried to make each year better than the last, and whether you are a Bourbon Chase veteran or a first timer, we want you to get the most out of being a part of the best overnight relay in the world (ok – I am biased). With that in mind, you will receive periodic updates from me that will contain important information that you need to know and that will enhance your Bourbon Chase experience! Also, please know that I am always happy to receive your e-mails, texts or calls if you have questions.

Now to the fun stuff! It is time for you to start inviting runners, planning your hotels, etc. I have outlined a few things below to guide you.

MANAGING YOUR TEAM

Many of you eager beavers have been asking about inviting runners to your team, so let's start there. Through the webpage link below, you can invite team members, change your team name, find runners if you need a few warm bodies to fill out your team, and otherwise manage your team. Here are a few special tips to help with the process:

The system works best if you sign in to your Ragnar account (you created one when you registered for the lottery), and then open a separate tab in your browser to manage your team.

Similarly, when inviting team members, it is best if they create a profile on the Ragnar system, sign in, and then accept the invite. The webpage link below includes a link for runner account creation as well.

The link is here: <http://bourbonchase.com/myteam>

Captain Changes: If your team needs to make a captain change, that can only be done by contacting me directly via email. We will need the current captain (you) to contact me requesting the change and will also need the vitals of the new captain, i.e. name, e-mail address, and mobile phone number.
